Invitation to the Ramirent Capital Market Day

I take great pleasure in inviting you to Ramirent's first Capital Market Day which will be held in Gdansk, Poland on 27 May, 2008. The Ramirent Group Management Team will be present during the day and will give an update on the individual segment activities, markets and Ramirent's strategy.

The specific focus of the day will be on Central and Eastern Europe and our growing activities there. During the day we will make a visit to a Ramirent outlet and a customer site.

We will start the event in the morning at 8.30 a.m. and end late the day with a dinner together with Ramirent's Group Management Team.

I hope you will be able to join us and look forward to seeing you in Gdansk.

Yours sincerely
